Dear David

On behalf of the Board of The Coast Christian School I am writing to thank you for your recent training session on Governance.

All members of the Board were encouraged to know there were things we were doing well. We were also challenged and inspired to make changes and establish new ways of governing where necessary. It was especially refreshing to see a model of governance where God is at the centre of all we do as Board members. Thankyou for your willingness to conduct the session on a Sunday!

We very much appreciate you sharing your time and invaluable experience with us and pray that God will bless your work.
