Dear David,

I am writing to thank you for serving us so well at the recent Anglican Youthworks 'Future Directions' days at Homebush.

We were all impressed by your friendly professionalism and expert guidance. Both the Council members and executive staff are confident we can now move forward towards an effective strategic plan for our ministry organisation.

I look forward to your ongoing assistance and mentoring as we position Youthworks for a global influence in children's and youth ministry.

Yours sincerely,

Zac Veron
Chief Executive Officer
